Affordable and Nutritious Meals

Value Picks is an identification system that highlights meal options under \$10 (tax excl.) in Hospitality Services concepts.*

Our Registered Dietitian has classified our Value Picks into three categories, based on the value of select macro- and micro-nutrients important for overall health.

* Franchises not included.

Look for the checkmarks on our menu boards and grab & go meals.

Choose Most Often
These choices provide high nutritional value.

Choose Sometimes
These choices provide average nutritional value.

Choose Least Often
These choices provide less nutritional value.
